INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, welcome to the doggy-style days of summer. It's so hot my fingers are sliding right off the keyboard—and into my panties! Seriously, how am I supposed to get any work done when I'm surrounded by these underdressed, overheated, insanely sexy girls?

I mean, look at Mia Trejsi and try not to pass out. Take a peek at Tabitha—IF you think your heart can take it. Trinity? She is literally trying to kill me with her cuteness.

You guys, there isn't a cold enough shower in the world to cure me of my BARELY LEGAL heatstroke.

Speaking of stroking...

**do you think
I'm sexy?**

PHOTOGRAPHY BY THISYEARSMODEL.COM

Hello, everyone! Abby the intern here. Fresh-faced new high school grad Aspen has *changed* since the last time we saw her (February 2022).

Aspen, you got so sexy!

Thank you! Wait—are you saying I wasn't sexy before? :(

No, no! But you were *cute* sexy. Now you're HOLY SMOKES sexy.

Oh, I like that!

What made you change your look?

Well, I'm older, and about to start college, and also I just *feel* sexier.

What do you mean?

I mean, I'm more in touch with my body and more open to trying new things.

***Ooh!* Like what?**

Like—don't tease—sex with a girl.

Double *ooh!* Did you like it?

I did. I *do*. It's different—very sweet and intimate. But don't worry, I still prefer guys 100 percent.

What new things have you tried with guys?

It's not exactly new, but now I always swallow, every time. I decided that it's immature to be squeamish about tastes and smells and...alternative entryways.

“Alternative entryways”?

I did it in the butt! Surprise!

What did you think?

I loved it. Especially when he licked me down there. Omigod!

Will anal be a regular thing for you now?

Yes! It's just a different way of having sex—like sex with girls, or sex with more than one person at a time.

Aspen! You're *full* of surprises today.

Well, I haven't done that yet. But I wouldn't say no to it! ★

APRIL 2022 PANTY CONTEST WINNER!

Thank you to everyone who entered. Congratulations, Mike K.!

MIA

Dear BARELY LEGAL,

When I got my new issue of BARELY LEGAL in the mail, I tore off the plastic and—my, my, my, oh Mia. I couldn't believe my eyes. She looked so innocent, which is sexy. Sugar and spice? No, I like naughty and nice. And everything nice, which is what I think of Mia's body.

Those white panties—WOW. What will I do with them? Well, first my girlfriend Lisa wants to put them on so her pussy can be touching the same place that Mia's pussy was. She says it will make her very horny. Then I want to build a shrine with Mia's panties as the centerpiece. I already framed up all her layout pics. Now I just need the sexy panties.

Your avid reader,
Mike K.
Iowa

Dear Lindsey,

Your own photo that greets me when I open the March issue is certainly very seductive! A great indication of what is waiting inside the magazine. And you again met my expectations. The common thread of this issue in my opinion is the many photos of lovely pussies. Starting with Tabitha, followed by Samantha, who is a stunner with beautiful boobs and a classy face.

I love red curly hair on women, and Layla Lowe is lovely in every respect. Liz Jordan's pussy and rosebud, along with her pretty smile, make her another winner.

Your pick of Lilly Bella as the Teen Queen, with her suckable nipples and pussy, did not disappoint me at all. And how lovely to read about and see photos of Jenna Sativa—a model who admits she likes girls. Marvelous body with a pussy and butthole I would enjoy exploring with my tongue.

Aria is another model whose pussy and butthole, along with her nipples, make me want to see more of her. Actually all the models in this issue are welcome back!

LAYLA

Before I end this letter I wanted to comment on this issue's Couple of the Month, Aubrey Luna and Kasey Warner. Great-looking models and poses. They come across as actually making love.

Looking forward to receiving my next BL. And please, please keep doing what you are doing so well!

Fondly,
Lenny
By email

Thank you, Lenny! We hope you enjoy seeing Tabitha again this month. Look for lovely Layla's encore appearance in our September issue, on sale August 23!

—Lindsey

Dear Lindsey,

My picks from the April issue: Penny Pax is my overall favorite. Mia Kay has the best boobs. Alina Ali has the best panties. Best ass goes to Lana Lea. Nata Ocean gets best pussy spread. Thanks for a lovely issue.

Your question this month about women with bush takes me way back. In middle school, a friend showed me adult magazines from his dad's collection. All the women had bush. I started buying my own as soon as I could. The women still had bush (maybe a bit more trimmed). I kept buying. They started shaving, then waxing. Bald pussy became the norm. Bush stuck with me. A glimpse suggests what's below in a way that a bald pubic mound doesn't. Full bush can still show everything.

BL features variety, which I like, but I prefer the women with bush. They bring back the memories. They have the look that means sex for me and has for decades.

P.D.
By email

Dear Lindsey,

To answer your question in the April issue: I definitely love a nice, full bush!!! Look through the *Playboys*, *Penthouses*, and *Hustlers* from the '70s, '80s, and '90s and notice how just

about every single model proudly sported a nice bush—including natural blonde or red ones!

After Riley Reid initially posed for you all, she grew her hair out, lost her baby fat, and grew her bush out! Now she loves pulling on her pussy hairs while she's fucking the shit out of some lucky bastard or slut!!!

Wilson
South Carolina

Dear BARELY LEGAL,

I prefer girls with bush. The hair holds her pheromones, which tell my nose if she's a good DNA match and send my sense of smell to paradise. There is no other smell that can do that.

The sense of smell determines our soul mate. Showering every day, and shaving, too, destroys the ultimate travel into the outer worlds of sensual bliss. No wonder people are screwed up. We don't stink enough.

G.G.
By email

P.D., Wilson, and G.G., thank you for your awesome replies to our April question. I love learning these things about you guys.

By the way, in case you're wondering, we didn't receive a single vote for bald pussy!

BARELY LEGAL confession
by samara barro

I love history and old things and legal stuff, so I was super excited to watch this show called *Impeachment: American Crime Story*. Did you see it? It's about this time in the '90s (before I was born, LOL) when the president of the United States let an intern give him a BJ in the Oval Office.

That was just so fascinating to me, I had to look up the real story and photos of the people. You guys, I was *shocked*. How did a girl that chubby get a handsome older guy just by showing her thong? Cute underwear doesn't automatically give you a cute ass!

But I had to admit, what she did totally worked. Like her, I know the pain of being a lowly intern in love with a powerful, unattainable man: my boss, Mr. Woods. Unlike her, I let my thong hang out every day for a month and he still didn't know I was alive.

One night while I was in bed picturing Mr. Woods and playing with my pussy, it hit me: Showing your thong isn't enough in these modern times. I had to do something really bold.

The next morning I went to work super early. The building was dark and empty. I let myself into Mr. Woods's office, sat in his chair, and took out my phone and selfie stick. I was going to show him *all* of me.

It was so thrilling getting naked in Mr. Woods's office! By the time all of my clothes were off, my pussy was dripping wet and leaking all over his expensive chair. (Oops!)

I took a couple selfies where I was just sitting there, looking pretty, then—you won't believe it. I took one with my pussy spread open. Like a porno lady!

It was getting close to the start of the workday, so I got dressed, snuck off to my cubicle, and waited.

When Mr. Woods finally arrived, I couldn't wait another second. I texted the photos to him. I pictured him sitting in his office, looking at my naked titties and cooch and sending a cute, naughty reply. That's what happened in one of my favorite old movies, *Bridget Jones's Diary*.

My phone dinged: SEE ME IN MY OFFICE. NOW.

Omigod. That wasn't cute.

I walked to Mr. Woods's office on shaky legs. It felt like I was being sent to the principal.

Mr. Woods sat behind his desk. "Lock the door, Miss Barro." He looked *mad*.

"Am I in trouble?" I asked.

"Yes." He stood up. He had a huge tent in his pants! "You're in *big* trouble," he said, pulling his penis out.

You guys—he was teasing me! My heart pounded as I got on my knees. Finally I could show Mr. Woods how much I loved him.

But before I could put anything in my mouth, he lifted me onto his desk, spread my legs, and stuck his penis right in my pussy! My plan worked even better than I thought!

Now Mr. Woods and I are totally a couple on weekends when his wife is out of town. My dream came true. I only feel bad that Monica didn't have the technology we girls have today. ★

MIA TREJSI

**believe
your eyes**

Hey, guys! It's Stacy the intern. Look at Mia. Look at her! Have you ever seen anything like her?

Mia, I've heard people describe you as the most beautiful woman ever to appear in porn. I agree!

Stop, you're making me feel shy!

How would you describe yourself?

As someone who is funny and talks a lot.

What is your best physical feature?

My eyes or my breasts.

What do you do for fun?

Walk my dog baby Vali, go shopping, ride my scooter, eat good food, have great sex.

What's your favorite food?

Breakfast.

What makes you the wettest?

Play with my titties.

Do you swallow?

Yes!

Are you bi?

Yes! Girls are beautiful.

What's your favorite way to have sex with a girl?

69.

What's your favorite way for a guy to fuck you?

It depends on my mood. Sometimes I like it soft and slow, and other times I like it rough, with several guys.

Several guys? What's the most guys you've had sex with at the same time?

I wanna say...five. One in my pussy, one in my ass, one in my mouth, and one in each of my hands.

Oh, my! You are *wild*.

That's nothing. I've had two guys in my ass at once.

Yikes! Did that hurt?

Hurt so good. :)

Mia, you're like the queen of anal.

I'll accept that title! ★

LEXI ANNE

let's neck

Howdy, guys! Stacy the intern here. New porn girl Lexi Anne reminds me of my number-one celebrity girl crush, Kristen Stewart—who has officially been bumped to number two.

Hey, Lexi Anne! How would you describe yourself?

I am a quiet and down-to-earth person with a dark and perverted sense of humor.

What do you do for fun?

In my free time I love to play with my animals, or do research on various topics. I'd say my favorite fun activity is definitely when I'm giving myself some self-love. You can never go wrong with an orgasm.

What do you like best about posing nude?

It is a very empowering feeling that gives me something akin to an adrenaline rush.

What do you like best about doing porn?

It is such a supportive and open community.

What is your best physical feature?

My legs, 100 percent.

How often do you masturbate?

At least twice a day—kinda like my morning and bedtime rituals.

What's your favorite method?

My Hitachi is my all-time favorite, but that little rose does wonders as well.

What turns you on the most?

When they describe what they want to do to me. Details are panty soakers.

What turns you off?

Whenever they are overly pushy on something I'm not comfortable with or in the mood for.

What kind of guys do you like?

I wouldn't necessarily say I have a specific type, but brunets with beards always have my attention.

What kind of girls?

Tatted and goofy.

Do you like to give head?

Love it.

Do you like to swallow?

Who doesn't like icing?

What's your favorite position?

Anything involving cuffs or rope.

How do you like to be fucked?

I love a good, rough fuck. I want to be choked, spanked, and called a slut.

What's the best way for someone to make you come?

Dirty talk or really any contact with my throat. One lick on my neck and I'm a quivering mess.

Where do you like a guy to come?

I'm a cum slut. I love a creampie, but you could also lather my whole body in it and I'd be on cloud nine.

Do you like anal sex?

I've had a couple experiences, one of which was amazing. My body is still adjusting to it and getting comfortable with it.

What's the best way for a guy to ask you out?

Eh, don't? I like to play things by ear and see where things go. I don't intend on dating someone unless I want to spend the rest of my life with them.

How would you describe your dream date?

Watching scary movies on a projector while camping in the woods. A fire crackling to roast some s'mores.

What's your favorite fantasy?

The first thing that pops into my head is greeting my dom on my knees in nothing but a collar.

What are your future plans?

I want land to start an animal rescue for all animals that need a home or a final resting place. ★

HOMETOWN: BELLINGHAM, WASH.

Hey, it's Lindsey. Our gorgeous March 2022 cover model Tabitha calls herself "your everyday nudist." To me there is nothing everyday about her!

I'm so happy you came back, Tabitha! Our last talk was way too short.

I'm happy to be back.

What turns you on the most?

Some of my biggest turn-ons are humor and emotional maturity.

What turns you off?

Can't take a joke or selfish.

What kind of guys do you like?

The kind of guys I like are confident, not cocky.

What's the best way for a guy to ask you out?

Have an idea for the day, and ask me with confidence! I do love little gifts like flowers. Just be sure not to ask me in my place of work.

How would you describe your dream date?

The little details mean a lot! If you plan it before and make sure I don't have to make any decisions that would be a dream date!

What's your favorite fantasy?

My favorite fantasy might be damsel in distress.

Ugh! You won't believe it, but I already have to go. *I'm* going to be a damsel in distress if you don't come see us again.

Well, we can't let *that* happen. ;) ★

CHERISE

the sweetest torture

Beware of Cherise. This doll-faced 18-year-old looks like an angel, but she's straight from the bowels of hell.

"I know you want to fuck me," Cherise purrs, her soft, supple hips rocking slowly. "Come a little closer, sweetheart. Do you like how my perfume smells like candy?"

No man who has ventured into the silky crevices of Cherise's hot, young pussy has emerged the same. There is something very strange about her vagina. A man who we'll call Jack describes what happened when he was lured into Cherise's tender trap.

"At first I was just eating her cunt, and everything was fucking peachy. Look at her; she's a goddess. I was having the time of my life. It was when I stuck my peter in her slit that things went wrong. Her twat felt amazing, like a velvet glove, but after about five minutes of thrusting, I started shivering. A cold sweat drenched my body. Suddenly, I couldn't move. The

girl's pussy just clamped down like a vise, and my entire body was completely immobile, eyeballs and all. The fucked-up thing is, that's when I came. I blasted my load without moving a muscle. And it was by far the most intense orgasm I've ever had, ever.

"Then I passed out. When I came to, Cherise was staring at me, laughing this cold, mirthless laugh that chilled my bones. Her eyes were all red and demonic, I swear to God."

Since Jack's dalliance with Cherise, the poor soul has been cursed with a permanent erection.

"The paralysis remained in my cock," he sobs. "The doctors say there's nothing I can do. It hurts. It hurts all the time."

"Silly, silly boy," Cherise coos, rolling her pretty fingers through her snatch and licking her red, swollen lips. "I'm harmless as apple pie."

Just don't say we didn't warn you.★
